Defendants submitted a proposed order granting a motion to extend the discovery cutoff in this case. (Dkt. 14.) However, they failed to submit an associated motion, as is required by Local Civil Rule 7(b)(1). Defendants also failed to correctly note such a motion in accordance with CR 7(d)(2) (“All motions filed in a case in which a party is under civil or criminal confinement shall be subject to the briefing schedule under Rule 7(d)(1) or 7(d)(3), not this subsection.”) Accordingly, defendants’ proposed order is stricken without prejudice from the Court’s calendar. Defendants may file a corrected motion and proposed order for the Court’s consideration.
